Maximum Marks	3 Marks

Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand the customer's point of view. The Customer Problem Statement template helps focus on what matters to create experiences people will value. A well-articulated customer problem statement helps identify the ideal solution for customer challenges and understand how customers perceive the product or service.

Customer Problem Statement – MarketAI Suite

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A marketing and sales professional.	Create effective marketing campaigns, sales pitches, and prioritize customer leads.	It takes a lot of time to manually analyze customer information and create personalized content.	Customer data is large and complex, and there is no single intelligent platform to automate these activities.	Overwhelmed and less confident about reaching the right customers and improving conversions.

Problem Statement in Sentence Format:

I am a marketing and sales professional **trying to** create effective marketing campaigns, sales pitches, and prioritize customer leads, **but** it takes a lot of time to manually analyze customer information and create personalized content, **because** customer data is large and complex and there is no single intelligent platform to automate these activities, **which makes me feel** overwhelmed and less confident about reaching the right customers and improving conversions.
